

Privacy Policy

What personal information about customers does sglocks.co.uk gather?

The information we learn from customers helps us personalise and continually improve your shopping experience at sglocks.co.uk. We use the information to handle orders, deliver products and services, process payments, communicate with you about orders, products, services and promotional offers, update our records and generally maintain your accounts with us. Display content such as wish lists and customer reviews and recommend merchandise and services that might be of interest to you. We also use this information to improve our store and platform, prevent or detect fraud or abuses of our website and enable third parties to carry out technical, logistical or other functions on our behalf.

Like many websites, we use "cookies" and we obtain certain types of information when your Web browser accesses sglocks.co.uk. If you do not want to receive e-mail or other mail from us, please contact us at contact@sglocks.co.uk.

If you do leave cookies turned on, be sure to sign off when you finish using a shared computer.

Promotional Offers, sometimes we send offers to selected groups of sglocks.co.uk customers

How Secure Is Information About Me?

We work to protect the security of your information during transmission by using Secure Sockets which

reveal only the last four digits of your credit card numbers when confirming an order. Of course, we maintain physical, electronic and procedural safeguards in connection with the collection. It is important

for you to protect against unauthorised access to your password and to your computer.

Our site may include third-party advertising and links to other websites. We do not provide any

Personally identifiable customer information to these advertisers or third-party websites.

These third-party websites and advertisers, or Internet advertising companies working on their behalf, sometimes use technology to send (or "serve") the advertisements that appear on our website directly to your browser. They automatically receive your IP address when this happens. They may also use cookies, JavaScript, web beacons (also known as action tags or single-pixel gifs), and other technologies to measure the effectiveness of their ads and to personalise advertising content. We do not have access to or control over cookies or other features that they may use, and the information

practices of these advertisers and third-party websites are not covered by this Privacy Notice. Please contact them directly for more information about their privacy practices.
